

You are invited to become a member of the State WAN Users Group

A users group is an excellent way to help you get the most value from the state network.

Benefits of Users Group Membership

- ❖ Interact with other users of the state network.
- ❖ Collaborate on setting direction for network enhancements, security, and maintenance.
- ❖ Enhance your understanding of the state network infrastructure.
- ❖ Exchange ideas about technologies and cost of services.
- ❖ Prioritize new and enhanced network services.
- ❖ Contribute to developing standards and procedures.
- ❖ Influence support services.
- ❖ Develop working relationships with IT colleagues.
- ❖ Weigh in on RFPs and expenditure justifications.
